### BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

Opera House to-night—"A Celebrated Case."

Grand to-night—"Dodge's Trip to New York."

The council committee on real estate is called to meet this evening.

The Hissom case will be continued in the circuit court to-day, Judge Hervey on the bench.

The ladies' auxiliary of Zane lodge No. 1, Shield of Honor, will give a supper and dance at the Odd Fellows' hall, next Wednesday evening.

No finer line of oil articles have appeared anywhere than those of "Scout," in the Wheeling Intelligencer. The State Journal has been reproducing them. It is deeply indebted to the Intelligencer in this particular, as it is in others.—Parkersburg Journal.

The arms for Company A, First regiment of West Virginia, have arrived. They include a full equipment of new Springfield rifles, bayonets and cartridge belts. Interest in the company is increasing, and there are nearly thirty new applications for enrollment.

Fire alarm box 53 was pulled last night about 7:45 o'clock, caused by a slight blaze at the home of Mrs. J. V. Givins, on East street, near Twenty-eighth street. A window curtain caught fire from a gas jet, and it was extinguished by the Niagara ladies, without any damage worth mention.

To-morrow evening at their club rooms will occur the annual meeting of the stockholders of the Carroll Club. Considerable business of importance will come up at this meeting, the principal matter being the election of officers. After the meeting a general social time will be had in the nature of a smoker.

After being out for nine hours, the Belmont county jury brought in a verdict Saturday night, at St. Clairsville, of \$4,438 in favor of the plaintiff, Mrs. Sarah E. Keys. In the suit for \$40,000 damages against the Pittsburgh & Wheeling Coal Company. It was claimed that the defendant had taken coal from land owned by the minor heirs of Mrs. Keys without the necessary legal title.

### A Pleasant Event.

This evening, David Bell, a past grand of the Independent Order of Odd Fellows, of this city, will be presented with a veteran's jewel. Mr. Bell is the oldest Odd Fellow in the city and at the session of the grand lodge, held at Huntington, last November, he was presented with a veteran's jewel. Mr. Bell is considered one of the oldest and most faithful Odd Fellows in the state. This evening Franklin lodge, of which Mr. Bell is a member, will present him with a jewel and all the Odd Fellows in Wheeling are invited to be present. Mr. Bell was initiated into Franklin lodge on October 28, 1829.

### Still Alarm.

Yesterday morning, at 11:30 o'clock, the eighth ward fire company was called to extinguish a blaze in the McLaughlin stable, in the alley between Thirty-fifth and Thirty-sixth streets. The fire was caused by throwing hot ashes in a barrel in a corner of the stable. Owing to prompt work of the firemen, the blaze was extinguished without damage.

## WHY IT WILL PASS.

The Refund Election Dividing the Honors With "Dewey Day."

### DEMOCRATS AND REPUBLICANS

Are United in the Belief That the Passage of the Measure is for the Benefit of the City—The Register's Opposition Far From Being Disinterested—Refund Means Prosperity for the Gas Board.

The refund special election, scheduled for Saturday, February 24, is dividing honors with "Dewey Day" and the Loan Exhibition, as a topic of discussion, and everywhere the opinion seems general that the measure will receive the required three-fifths majority. True, the Register, as of yore, is lined up in the opposition, but the voters who were beguiled into the belief that that sheet's opposition to the refund of two years ago was honest and disinterested, are beginning to see that there was a colored gentleman in the woodpile, and that he is yet among the scenic outfit of the serio-comic production issued daily, including Sundays, over on Market street.

Two years ago, it will be remembered, the refund was opposed by the Democrats in council—the present refund measure received the vote of every Democrat and of every Republican in council who attended the meeting, and there were only three absentees.

The other refund delayed the reduction of the principal of the city debt for a term of years—the present refund provides for sinking fund, and reduction of the principal from the beginning.

The other refund did not provide for the acquisition of the plant and business of the Wheeling Electrical Company—this one does, and its consummation means that the city gas works will become a paying branch of the city government, rivaling, perhaps, the water board, whose revenues are largely in excess of its expenses.

The other refund would not have relieved the gas consumers from the unjust burden of lighting the city's streets—the adoption of the present measure means the alleviating of this burden, placing it equally upon the private consumers of gas and electric light—in other words, instead of one-third of the people bearing the burden, fully four-fifths will foot the bill, much nearer an equitable distribution.

### FUNERAL OF HARRY H. WINDER

Yesterday, Under Auspices of the K. of P., a Notable Event.

The funeral of the late Harry H. Winder, youngest son of Capt. W. H. Winder, took place yesterday afternoon from his late residence on South Eoff street, and was attended by a large concourse of his friends and friends of the family. The services at the house were conducted by Rev. D. H. Molony, pastor of the Zane Street M. E. church, and were very impressive. The choir of the same church assisted in the services, rendering appropriate musical selections. There was a profusion of handsome floral tributes from relatives and friends of the deceased.

The remains were escorted to Mt. Wood cemetery, where the interment was made, by two companies of the Uniformed Rank of the Knights of Pythias, of which order the deceased was a member, and Baltimore lodge No. 6, members of Dahna Temple, D. O. K. K. and affiliated Knights. It was the first military funeral given under the auspices of the Knights of Pythias in this city, and the formation and solemn tread of the marchers made an impressive sight. The line was headed by the staff of the general, colonel and major, followed by the Grand Opera House band. Then came the uniformed companies, Bernard Shanley No. 21 and Couer de Leon No. 1; carriage with floral tributes with hearse following, the pallbearers, Messrs. Fred Wyse, Edward Christman, Louis Hartong, William Swartz, William Wagner and William Shanley, of Shanley Company No. 21, personal friends of the deceased, walking on either side. Then came Baltimore lodge No. 6, D. O. K. K., and affiliated members, followed by the hacks and carriages. The Knights held a brief service at the grave, and further services were conducted by Rev. Malony, the choir rendering an appropriate selection.

### EIGHTH WARD CAMPAIGN CLUB

Organized at a Meeting of Republicans Saturday.

On Saturday evening, at Arbenz's hall, corner of Thirty-third and Jacob streets, a meeting of Eighth ward Republicans was held, to organize a campaign club. The meeting was called to order by Executive Committee-man George Bell and a temporary organization formed. Nathaniel Mumford was elected permanent president, and George Bell secretary. The club has started off with an enrollment of ninety-eight members and this will be largely augmented at the next meeting. The club adjourned to meet at the same place on next Thursday evening at 7:30 o'clock, when the report of the committee appointed to look after permanent quarters will be received.
